WIGHTLINK

WE'RE YOUR LINK TO SEEING
THE BEST OF THE ISLE OF WIGHT

WIGHTLINK

We are the main link between the Isle of Wight and the mainland. Every year, we carry over 5 million passengers, making us one of the UK's largest domestic ferry operators. Our Isle of Wight Passport has been created to provide you with a range of fantastic money-saving offers and incentives at many of the Island's top venues.

At around 22 minutes a crossing on the catamaran and from 30 minutes by car ferry, there's no easier way to get across the Solent. And with our three great routes and just under 70,000 crossings a year, we are the most flexible too. We are also dedicated to giving excellent customer service and facilities to make the trip even more enjoyable.

As most people who travel to and from the Island go with us, we are truly a part of Island life. We are proud to support Island communities wherever we can, as well as being committed to providing value for money. We hope that you enjoy our Isle of Wight Passport.

We look forward to welcoming you onboard.
